Example of EVENT pricing...

Please note, this is a standard guide of our event pricing... A more detailed quote will be provided depending on your location and requirements, and for continuous/ongoing or larger chunk-periods of work we can reduce the daily fee a bit too :)

Location: Sunshine Coast area - we can travel further, but may include an additional travel fee.

Date: TBC - ideally book us in early so we can schedule staff properly and order the correct materials for your activities in time

Time: Example: 10am-2pm - 4 hours of workshops per day - plus pack-up and set up, material/project preparation time. Staff will include 1 x qualified art-teacher, and 1-2 assistants. * Shorter timing is available, but minimum fee is \$250 + larger staffing / longer hours also available at extra.

Extra Details: During this time period we can offer either 'free-flowing' activities for participants to come and go as they please - or limited 'book-in' activities that run for approx 1 hr (45min action + 15min pack-up). We can cater for a range of ages, abilities, interests and numbers!

Art materials can be kept very simple - using mainly paper/collage/recycled items. Often we work with paint, clay, craft, printing, etc. Pricing will vary according to numbers and activity chosen..

Activity/Theme: Choose from a range of different themes! Head to our website for more ideas, or discuss a new idea with us :)

Fees:

- Monday-Friday: 4 hours: \$450 (+ art materials) + GST
- Saturday: 4 hours: \$500 art station (+ art materials) + GST
- Sunday: 4 hours: \$625 art station (+ art materials) + GST
- Public Holidays - to be confirmed
